**Report of Principal and School Improvement Council**

The School Improvement Council of Sunset Park Center for Accelerated Studies has prepared this summary report of the school's accomplishments for the 2013-2014 school year and the goals for the 2014-2015 school year. During the 2013-2014 school year, Sunset Park continued to offer our Accelerated Studies magnet program for all students in our district. This magnet program includes a Gifted & Talented clustered classroom option for G/T identified students in 3rd through 5th grades, enrichment cluster opportunities for every child, and all of our students received instruction from a G/T endorsed classroom teacher. As a result of offering this magnet option for Rock Hill students, Sunset Park has continued to experience unprecedented growth. Our enrollment numbers this year have continued to climb resulting in an 81% growth over the past six years.

This past year Sunset Park received a Palmetto Gold award for academic achievement and growth. This was the second time in our school's history that Sunset Park had received this award! In addition to that, we had eleven students earn a perfect score in thirteen areas on their PASS tests this year. They continue to make us so proud!

Our school staff worked together this year on many school-wide goals. The planning sessions were led by our G/T coach, our Literacy Specialist, and our Challenge Based Learning teacher. One of our school-wide goals was focused on increasing the percentage of our students in the upper grades who have access to one-to-one technology at home to more than 80%. We successfully reached this goal in December of 2013. This focus on increasing access to technology for our students helped our staff prepare our students for 21st Century Learning. It will continue to be a driving force in 2014-2015 as we extend this school-wide goal into a second consecutive year.

Sunset Park has continued to maintain and expand our partnership with the College of Education at Winthrop University through the NetSCOPE partnership. Through this partnership, Winthrop provided our school with human and financial resources to assist us in meeting the needs of our students. We are very pleased to be able to continue this close and collaborative connection with Winthrop for the coming school year!

Our PTO had one of their most successful years offering many new events for our students. Two of those new events included a first ever Bingo Night as well as a Fun Run in the spring. The Fun Run generated over \$11,400 in donations for our PTO making it the most successful fundraiser in the history of our PTO.

Sunset Park will continue to review all student data in order to make decisions that will positively impact student achievement at Sunset Park. We are all excited about the possibilities that lie ahead for our students and our school!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>92.7</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Sunset Park Center for Accelerated Studies has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
